

Serenity the Sea Turtle Book Endorsements –

"Serenity the Sea Turtle" creates a profound personal connection to the plight of our oceans. The sea, a mysterious world experienced by few, is intricately linked to our actions. Through Serenity and her friends, this book illuminates a path of hope and stewardship, showing that only through our care and responsibility can Serenity and her beloved seas truly thrive.

~ Dawn Bailey, MSc. Marine Ecologist, Founder EcoSea Expeditions.

"I often go to Maui and love swimming near the sea turtles. I want to make sure that the habitats for them continue. When you meet Serenity the Sea Turtle and her friends, you'll be inspired to learn how to keep their ocean homes clean and safe."

~ Jack Canfield, co-creator of *Chicken Soup for the Soul*

"Through Serenity the sea turtle, children gain an understanding that their awareness and compassion for self, community, and Earth is needed to make this world a better place."
